New Vegas hotel opens

There's a new player on the Las Vegas scene for visitors who don't want to wade through a sea of clanging slot machines on the way to their rooms.

The [Platinum Hotel and Spa](#), a suites-only condominium hotel just off the Strip near the Bellagio and Caesars Palace, opened Wednesday. Suites feature 42-inch TVs, WiFi, electric fireplaces, terraces and whirlpool baths. There's a fine-dining restaurant and spa, but no casino.

You don't have to be a high roller to check in: Introductory rates start at \$129 through Dec. 22, subject to availability.
