by GERILYN MANAGO photography by ZACH COCO

JUSTIN GASTON AND KARA KILMER AT HOTEL SHANGRI-LA

Located on the rooftop of Tehmina (aka Tamie) Adaya's Hotel Shangri-La in Santa Monica, the pool is versatile — warm during the day to soak up some sun and intimate at night to mingle. Enjoy \$5 cocktails from 1 to 7 p.m. on Ditch Day Fridays or listen to the smooth sounds of the live entertainment.

JUSTIN

Hometown: Pineville, LA

Dream job: Singer/songwriter.

How has this dream brought you to LA? I moved here when I was 18 and started modeling to support myself while I pursued a career in music.

Board shorts or Speedo? Speedo under my board shorts in case a shark comes and I need the extra speed.

Favorite summer activity: Wakeboarding.

Best tip you could give to a pool-goer: Don't test the water, just jump in.

KARA

Hometown: Crowley, Texas

Dream job: Film/theatre Actress.

Why is LA the place to be for you to pursue this dream? This is the nucleus of the entertainment market.

Favorite book to bring to the pool/beach: *Watchers* by Dean Koontz.

Complete the following sentence: Summer begins once ... I mow the lawn and come inside drenched.

Best poolside food: Popsicles!
