The Stoneleigh

BEST BUSINESS HOTELS 2008

Dallas

Everyone from Elvis to Andy Warhol has stayed at this historic hotel since it opened in 1923. Now spiffed up and shined by Texas architects Forrest Perkins, rooms come with custom furniture in crotch mahogany. Bathrooms have black and white Calcutta marble flooring. Flat screen televisions throughout.

Business amenities

Free wireless internet. An extensive business centre with thoughtful touches such as high energy snacks. Full service work stations, and secretarial services available on request.

Restaurants

Bolla — Iron Chef challenger David Bull oversees modern Italian cuisine.
